

Using the quick delivery technology of a great tasting dissolvable oral lozenge, Myodurance™ helps to support muscle performance, power output and normal recovery time after strenuous activity using these three ingredients**:

hyaluronic acid

helps maintain healthy muscle and joint support**

beta-alanine

supports muscular power output**

L-carnosine

supports normal muscle recovery**

For best results, use in conjunction with a healthy diet and exercise regimen.

Manufactured for:

hyalogic

Net contents 30 lozenges
dietary supplement

Supplement Facts

Serving Size 1 lozenge Servings Per Container 30

Amount Per Serving	% Daily Value
Beta-Alanine	1000 mg *
L-Carnosine	150 mg *
Hyaluronic Acid	10 mg *

* Daily Value not established.

Other Ingredients: Isomalt, natural mixed berry flavor, palm stearate, stevia powder.

Directions: As a dietary supplement, consume 1 lozenge once daily or as needed. For best results, take 2 hours prior to strenuous activity and let lozenge dissolve completely before swallowing. NOTE: Beta-alanine may cause a harmless, temporary tingling sensation on the skin for some individuals. This usually subsides with continued use.

Warning: Consult your physician prior to using this product if you are pregnant, nursing, taking medication or have a medical condition. Tamper resistant. Do not use if seal is broken. Keep out of reach of children. Store in cool, dry place.
